Most Californians prefer life imprisonment without parole to the death penalty.

Most Californians oppose lengthy prison sentences for non-violent offenders.

Most Californians agree that the War on Drugs has been a complete failure.

Most Californians think that their police have better things to do than arrest the terminally ill for using medical marijuana.

Most Californians don't believe they should be spied upon by their own government.

Most Californians want equal rights for immigrants, including the right to live and work here in America in peace.

I agree with them.

We need to put the justice back in the justice system. We do this by enforcing laws humanely and challenging the laws and policies that deny the people of California their rights. We need an attorney general who defends the people of California as energetically as we prosecute the violent offender. I will be that kind of Attorney General. I ask for your support. Thank You.
